My Tickets

To **Add** your tickets to your digital wallet, follow the instructions on your screen.

Note that after the ticket displays, you do need to tap **Add** again

Do these steps for each ticket purchased

If you have multiple tickets to the event, you will swipe to see the additional tickets.

Note the indicator at the bottom of the screen

If your order is returned, the QR code will disappear from the ticket, but the ticket/pass will remain in your wallet until you remove it.

REVIEW TRANSFER

You can transfer one or all of your tickets to another person.

This allows you to purchase seats together, and then for each person to arrive separately when needed – along with many other reason you may need to send someone a ticket! This process will will move the ticket(s) out of your account and into the account of the recipient.

To transfer, you must know the recipient's mobile number. Contact information will not upload from your mobile device.

Tap to confirm each step and move forward in the process at the bottom of the screen
